

## P4M900-M4 Motherboard

- Socket 478
- Supports Intel Pentium 4/Celeron D Processor
- Supports FSB 400/533/800MHz
- Support Intel Hyper-Threading Technology
- Supports BIO-Remote 2 Technology
- Supports Charger Booster Technology

## P4M900-M4 Specification

|                  |                                                                                         |
|------------------|-----------------------------------------------------------------------------------------|
| CPU SUPPORT      | Intel® Pentium® 4 Processor<br>Intel® Celeron® D Processor                              |
| FSB              | Support FSB 533/800MHz                                                                  |
| MEMORY           | Support DDR2 533/667 MHz<br>2 x DDR2 DIMM Memory Slot<br>Max. Supports up to 4GB Memory |
| INTEGRATED VIDEO | VIA Chrome9 HC IGP, On Board Graphic Max. Memory Share Up to 256MB                      |
| STORAGE          | 2 x SATA Connectors<br>2 x IDE Connector<br>Support SATA RAID: 0,1                      |
| LAN              | Realtek RTL8201CL - 10/100 PHY                                                          |
| AUDIO CODEC      | VIA VT1708B 6-Channel HD Audio                                                          |
| USB              | 4 x USB 2.0 Port<br>2 x USB 2.0 Header                                                  |
| EXPANSION SLOT   | 1 x PCI-E x16 Slot<br>1 x PCI-E x1 Slot<br>2 x PCI Slot                                 |

|              |                                                                                                                                                                                                                                                                        |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| REAR I/O     | 1 x PS/2 Mouse<br>1 x PS/2 Keyboard<br>4 x USB 2.0 Port<br>1 x COM Port<br>1 x VGA Port<br>1 x LAN Port<br>3 x Audio Jacks                                                                                                                                             |
| INTERNAL I/O | 2 x USB 2.0 Header<br>2 x SATA Connector<br>2 x IDE Connector<br>1 x Floppy Connector<br>1 x Front Audio Header<br>1 x Front Panel Header<br>1 x CD-IN Header<br>1 x S/PDIF-Out Header<br>1 x CPU Fan Connector<br>1 x System Fan Connector<br>1 x Printer Port Header |
| DIMENSION    | Micro ATX Form Factor Dimension: 19 cm X 24.4 cm ( W x L )                                                                                                                                                                                                             |
| OS SUPPORT   | Supports Windows 2000 / XP                                                                                                                                                                                                                                             |
| ACCESSORIES  | 1 x IDE Cable<br>1 x FDD Cable(Optional)<br>1 x SATA Cable(Optional)<br>1 x I/O Shield<br>1 x Fully Setup Driver CD<br>1 x User Manual                                                                                                                                 |

## P4M900-M4 OVERVIEW

**\*The specification and pictures are subject to change without notice and the package contents may differ by area or your motherboard version!**
